If you answered:

- MOSTLY As** - Looks like you dodged the Byronic bullet! Your responses suggest a personality more in line with a cheerful tour guide than a brooding literary figure. You've got the social norms on speed dial, your emotional depth is more like a kiddie pool than a tempest, and rebellion seems about as likely as finding a unicorn in your backyard. You're the antithesis of the Byronic hero - a beacon of normality and sunshine in a world of stormy introspection.
- MOSTLY Bs** - Congratulations on being the Lite Version Byronic Hero! Your wit occasionally sparks, and there's a flicker of emotional depth that might need a magnifying glass to find. While you're not exactly tearing down societal norms, you've given them a side-eye or two, and your charisma is more of a subtle charm than a full-blown magnetic force. You're the Byronic hero who dabbles in the shadows, a glimpse of brooding complexity without diving too deep into the abyss.
- MOSTLY Cs** - Well, well, you've scored as the Almost-Byronic Hero - a bit like getting an A- in existential brooding. Your wit is on point, your emotional complexity is like a novella, and while you occasionally dip your toes into societal rebellion, you might not be ready to fully commit to tearing up the rulebook. You're the Byronic hero who occasionally glances at the norms with a raised eyebrow, a complex character who's not quite ready to trade in all the mystery for a leather trench coat just yet.
- MOSTLY Ds** - Congratulations, you've aced the Byronic Hero quiz! Your sharp intellect, brooding emotional depth, and rebellious disdain for societal norms scream "Byron" louder than a poet in a thunderstorm. With an enigmatic aura and charisma that could make even the Grim Reaper reconsider his career choices, you're the Byronic hero we didn't know we needed - or wanted.
